1. The compact **Negiste chair** by Alexandra Angle Interior Design is just 32 inches high, with tufting that highlights almost any upholstery fabric (\$4,050 as shown; alexandraangle.com). 2. The first manufacturer to receive a carbon-footprint certificate for its laptops, Taiwanese company Asus International's new **U33Jt** bears a natural bamboo finish (\$900; asus.com). 3. Glam up a bath or bar counter with CaesarStone's latest offering: the black **Crocodile embossed quartz surface** has a contrasting glossy and matte finish and is part of the Southern California company's new Motivo collection (\$100-150/sq. ft., installed; caesarstoneus.com). 4. The 50-inch-long **Oslo console** from San Luis Obispo-based Shine by S.H.O. is cerused white oak and was inspired by the iconic Chanel logo (\$2,125; shinebysho.com).
